Asset Mapping

All volunteers have assets they want to share. Isn't that why you are here? Please think about your gifts of head (knowledge), heart (passions) and hands (skills). For example, someone who works with the gambling commission may conduct a chapter raffle because of knowledge of the gaming laws. Someone with a passion for gardening may make thank you bouquets for sponsors or donors. Please list the assets you are willing to share. A word of caution: don't list the gifts you don't want to share. For example, you have the gift of organization, but are sick of organizing.

Tell us in which volunteers areas you are interested:

Volunteer involvement is crucial to Wishing Star's success. We want to be a lasting relationship with each volunteer, designed to meet your specific needs. Please tell us how you like to be recognized.
